Gloria Dei Ministry: Reaching Out in Community - East Central Synod Benevolence:

The ECSW Synod is the expression of the Evangelical Lutheran Church in America that is responsible for oversight of the life and mission of the greater church in our area. The synod's responsibilities include providing pastoral care to congregations & rostered staff, planning & facilitating ministry through congregations, strengthening interdependent relationships among congregations, synods and the churchwide organization, and also facilitating transitions in congregations. In order to be better stewards of the synod finances, the former synod office has been sold. Bishop Anne Edison-Albright's office is in Appleton at the First English North site. The rest of the staff are located in offices across the synod to be closer to congregations throughout the synod. About 40% of the synod budget is sent on to the greater ELCA for churchwide and seminary support. For more information about the East Central Synod and staff go to www.ecsw.org. On the website you can sign up for their weekly newsletter, the *Wave*.
